Carla —

Well, here we are, all graduated
and out of high school. How do you
really feel? I still, I guess, can't really
realize that I am "finally out" as the old
familiar expression goes. I wish you the
best of luck and success in everything
you do. I'll love you forever and forever,
no matter what, and will always be
your close friend and companion.
May God bless and keep you, my
everlasting friend,

Love ya,

My dear Mr. Garrison
I have just received your letter of the 11th inst. and am
glad to hear that you are still so active in the
cause of the oppressed. I am sure that your
efforts will be successful in the end. I am
very much interested in the progress of the
cause and hope to hear from you again soon.
I am, dear sir, very respectfully,
Your obedient servant,
Wm. Lloyd Garrison
